Hi

Thanks for following up.

Your suggestion has been noted, and will be a part of the review process.

The meetings are public and our next meeting is September 14 at 5:30.

We plan to have a public hearing in October, at which time you can make a presentation to the whole committee.

Thanks

David

David and Al, Greetings. I contacted you both a few months back about adding ranked choice voting to the Greenfield Charter and getting the idea on the Charter Commission review. I think you mentioned that it was going to come up at a September meeting so I am following up with you. Is there any work being done on this? Are you meeting open? Thanks.
